Imposition?

80% of cultural beliefs and practices
come from other cultures. In our
field this includes

Pedagogies

Cultural histories

Spiritual beliefs and practices

Grabbed or dumped

Earth Education

Canoe

Skiing

Yoga

Vision Quest

Canoes: a critical reflection

Diminished or transformed

When a cultural artefact or practice moves from one culture to another it can be transformed - meaning and purpose changed, history retold, new stories acquired - or it can emerge stripped of everything losing all the richness of its past place and history - simply functional.

Transformation

Fire ceremony

Labyrinth

Tai chi

Tall ships

Forest school

Transformation: an analysis

Transcultural theory

Like currents in a river - separate strands, merging, growing, diminishing, submerging, appearing - each with its own character.

Power

"Every human is like all other humans,
some other humans, and no other
human"

- Clyde Kluckhohn
